127. Woodwork

NOTES

This information compiled by Gregory Chapelle, Scoutmaster, Troop 667,
scoutmaster@troop667.info. Rancho Penasquitos California, <http://www.troop667.info>

The intent was to include merit badge classes in the Southern California area, within 2-3 hours drive of San Diego. This list also includes courses offered in the far northern portion of Los Angeles as the limit of what a reasonable person would want to travel for a merit badge course/class.

If you know other classes from museums and organizations that have not been included, please let me know so that they can be added in later versions of this document.
